(note 1) The data reported in this PO is based on information provided by the issuer and may include certain assumptions made by Moody's Accepts no responsibility for the information provided to it and, whist it believes the assumptions it has made are reasonable, cannot guarantee that they (note 2) This assumes the Covered Bonds rating is not constrained by the TPI. Also to the extent rating assumptions change following a downgrade or an upgrade of the Issuer, the necessary OC stated here may also change. This is especially significant in the case of Issuers currently rated A2 or A3, as the necessary OC following a 1 notch downgrade may then be substantially higher than the amount suquested here as market risks are considered more critically by Moody's at this time. In any event, the necessary OC and calculated to be consistent with the current rating under Moody's espected loss model. However, the level of OC consistent with a given rating level may differ from this amount where ratings are capped under the TPI farmework and, for example, where committee
